"Music a la Carte: Crafting a Balanced Recital Program"

Saturday, February 16
1:15 pm – 2:05 pm, Room 5

The Lyra Ensemble

*Kristin Bacchiocchi-Stewart, Ellen Fisher-Deerberg,
Anna Meyer and Elivi Varga, flute*

Choices, choices! When building a program for a performance, there is often too much to choose from, much like some menus at restaurants. In this lecture-recital, the Lyra Ensemble will discuss with the audience what makes a great program. Menus will be provided to each audience member with musical choices for appetizer, salad, main course, and dessert. The audience will choose works they think will work well together, which the ensemble will then perform as a short recital.
